Dear Records Access Officer:

Part 2, it is hereby requested that you make available for public inspection in an electronic format the following documents related to:

1. any petroleum spill records and hazardous spill records for 122 Kings Highway, Milford, CT 06460, for the last 20 years; and
2. any petroleum spill records and hazardous spill records for 123 Kings Highway, Milford, CT 06460 for the last 20 years;

For the purpose of this FOIA request, the term "records" shall be interpreted expansively and shall mean and include, without limitation, any written, typed, recorded, transcribed, printed, taped, photographic, computer or graphic matter or materials, including without limitation, memoranda, reports, applications, requests, correspondence, communications, electronic mail messages, notes, letters, studies, statements, budgets, working papers, agendas, attendance sheets, minutes, analyses, etc. within the custody, possession or control of USEPA. As you know, USEPA has twenty (20) working days to respond to this request. If materials requested are deemed privileged or exempt from public inspection, please identify which records fall in that category and the reasons for exemption.

Thank you for your assistance and attention to this matter.

Very truly yours,
